CAR DETAILS:

Year: _____ Make: _____ Model: _____

Changes: _____

The following are descriptions of each class of vehicle represented here at Rallye66. By registering today you are agreeing to abide by the definitions of the classes represented today.

Muscle:

All years and generations of the specified vehicle. Intended to represent the V8 muscle car. Cars entering the Muscle Car Class must have a V8 with the exception of the Vintage Corvette.

Custom:

Street Rod:

This class represents those cars that have been changed significantly from their original design. A car in this class would have SEVERAL of the following: a non-factory paint color, different wheels, engine changes, major engine modifications or dress-kits, or interior changes.

Rat Rod:

Late 20s through late 50s vehicle (car or truck), significant customization including chopped top, channeled body over frame, swapped parts from other vehicles, modified grilles and lights, unfinished appearance.

Majors:

This class represents the three "major" American car companies of Ford Motor Company, General Motors and the MOPAR families of cars. All years and styles that do not fit into the above classes of Muscle or Custom.

***ALL KIT CARS, FIBERGLASS OR STEEL, MUST ENTER THE STREET ROD CLASS.**
